Years of knowledge and experience with [Automation Scripting, QA](#) and [IT](#).

## **Work History**

*March 14, 2016 - Present*

[Supply Delivery Driver for DeeSign](#)

Delivering supplies for installation drivers within Southern California, stretching from San Diego to Van Nuys. Ensure proper delivery of necessary items for installations on the following day as well as the safety of myself and others while traveling 300 miles a night with a loaded truck.

*July 2007 - Present*

[Freelance Graphic Designer - DizzoDesigns](#)

Working with various companies to help market their service and or their products. Making executive summaries, booklets, posters, fliers and more print side products. Continuing to offer Front End Web Design, Clothing Design, and Branding on a regular basis.

*Feb 2013 – Oct 2015*

[Online Support and Test Analyst for Yoh at SCEA](#)

Go through, learn about, and find ways to break the title that is under development. Thinking of out of the box ways that could cause issues during a real world scenario. Work as a team to get bigger jobs completed while occasionally leading the way with an idea or concept as to achieving a desired end result. Tasks consisted of Online Moderation, Patch Testing, Stability Testing, Automation of Titles, Gathering of Game Metrics, System upkeep and organization of accounts and hardware.

*Nov 2013 - Feb 2014 (Seasonal)*

[Computer and Tablet Sales Specialist for BestBuy](#)

Stocking the department, cleaning and checking inventory were typical daily tasks. Greeting customers and ensuring they received the best up to date knowledge while deciding what computer/tablet they truly want to buy. Tasks consisted of Logistics, Customer Service and Detailed Knowledge of Computers and Technology.

*Aug 8th 2011 - Feb 2012 (Temp)*

[Material Management Specialist for Kaiser Permanente, Zion Hospital](#)

Worked night shift as a supply runner for Zion Hospital. Was responsible to learn 4 different routes, which varied day to day, in which I would take inventory of specific parts of the hospital and deliver linen and supplies as needed. Tasks consisted of Logistics, Customer Service, and a very Punctual Mindset for what each day brought.

*Apr 2010 - Feb 2011*

[Creative Designer for Corum LTD, \[www.corumgroup.com\]\(http://www.corumgroup.com\)](#)

Design and Layout executive summaries and annual reports for Corum Group and their clients. Keeping a professional look and feel while giving each layout its own personal touch and incorporating and using clients logos and brand colors. Making sure each design was ready to print at the completion of each reviewing phase. In-depth use of InDesign, Photoshop and Illustrator.

*Mar 2008 - Feb 2012*

[Graphic Designer for Eurosystems, \[www.goeurosystems.com\]\(http://www.goeurosystems.com\).](#)

Create monthly sales fliers for products including 4-color, double-sided, simplistic folding layouts for increased savings on mailing costs. Mailer designs have shown great results in emptying inventory and getting new clientele. In-depth use of InDesign, Photoshop and Illustrator.

*Jun 2006 - Sep 2006*

[Associate / Stocker for American Eagle Outfitters](#)

Unpacking, tagging, and sorting new shipments. Placing and setting up the new stock on the sales floor, as well as floor assistance to customers to get new sizes or answer general questions. Tasks consisted of Logistics and Customer Service.

*Mar 2006 - Jun 2006*

[Stocker and Customer Service Assistant for Vones](#)

Tasks consisted of Restocking, Cardboard Compactor Operation, Bagger, Carryout Assistant, Store Cleanliness and In Store Customer Assistance. Answering any questions and helping find what the customer had been searching for.

*Jan 2005 – Feb 2006*

[Customer Service Associate at Fry's Electronics](#)

Full time Cashier, Checking Out Customers, Getting Locked Up Items, Checking Quantities of Items, Finding Items, Cart Clean-Up, Trash Pick-Up, Carry-Out Assistance. Selling people the items I love to use, and making sure each customer found what they came for and left happier than they arrived.
